Dear Network Users,

We hereby inform you that, in accordance with the provisions of ANRE Decision No. 420/2019 approving the Natural Gas Network Code, as well as ANRE Decision No. 756/2025 approving the Report on the implementation of provisional balancing measures, under which the TSO is required to offer intraday auctions at interconnection points for the purpose of adjusting the portfolios of Balancing Responsible Parties,

Starting with the gas day of **1 May 2026**, "Vestmoldtransgaz" LLC will offer intraday capacity at interconnection points within two daily sessions, as follows:

- **First session:** opening time 12:00, closing time 12:30 (Romania, Ukraine, Republic of Moldova time);
- **Second session:** opening time 17:00, closing time 17:30 (Romania, Ukraine, Republic of Moldova time).

The allocation of intraday capacity will be carried out in accordance with the **Procedure for offering intraday capacity twice daily at the Grebenyky, Kaushany, Oleksiivka and Ungheni interconnection points.**

Further details regarding the Procedure for offering intraday capacity at interconnection points can be found [here](#).

Yours

"Vestmoldtransgaz" LLC

sincerely,
